"Companies prefer hiring candidates who have more than just a degree to offer. We want you to have the unique edge!"

Why Nimaya Exists?

For You!

Where a woman is born is her starting point and not a limitation of how far she can go.

Every Nimaya Naari deserves a fair start.

Our mission is to equip our learners with world-class exposure and training, so they can start their career journey with the same confidence and opportunities as their more privileged peers.

"Nimaya Empowers Women With Soft Skills That Will Help Them Outrank AI At The Workplace"

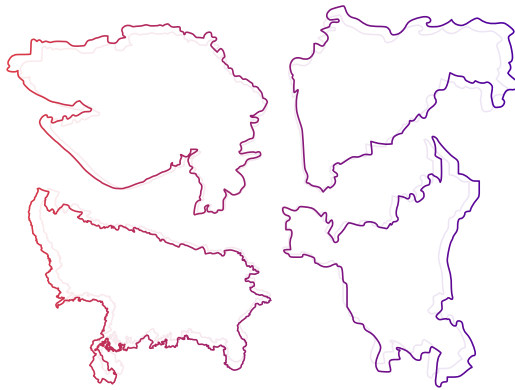

"Generative AI could be a game-changer for women's employability"

Why We Designed This Program

What companies want

Hiring and promotion now favor freshers who can use GenAI tools and modern workplace skills to get work done smartly.

Our research

We studied 100s of CEOs to understand what this really means in practice.

Your opportunity

We've turned those insights into a practical learning experience—built for you

Core skills in 2025

1. Analytical thinking
2. Resilience, flexibility and agility
3. Leadership and social influence
4. Creative thinking
5. Motivation and self-awareness
6. Technological literacy
7. Empathy and active listening
8. Curiosity and lifelong learning
9. Talent management
10. Service orientation and customer service

How You Will Learn

ChatGPT learns in 3 minutes,
what took you 3 years in college.

How you think matters more
than what you know.

*"The smartest people aren't
defined by grades, but by critical
thinking and problem-solving"*

Kiran Mazumdar-Shaw
Founder, Biocon

1. Learn Through Role Play - 80% Action and only 20% Gyaan

Brainstorm with AI to build a
marketing plan for a new
Quick commerce company

Build your own ChatBot
for customer service

Perform Jugaad to solve
a client's problem

WORKVERSE

Who Is This For?

GenAI tools & 21st century workplace skills are must haves for all entry level job roles.

No matter if you are dreaming of a career in HR, Finance, IT or Roles like BD, Sales, Operations or Data analysis.

The future of AI isn't replacing humans, but amplifying their skills—making us more productive and creative, not jobless

Sundar Pichai,
CEO of Google

You are a Nimaya Naari if you :

Thinks Beyond Degrees

Believe that just degrees & technical skills aren't enough

Are Ambitious

Want to deliver great work and make an impact

Are Resilient

Come from difficult social or financial circumstances, yet determined to succeed

Are Digitally Equipped

Have access to a smart phone

Are Committed

Able to attend 100% of all sessions

Are Ready for Work

In 2nd or 3rd year of college or actively seeking employment

Are Proficient in English

Comfortable communicating in English

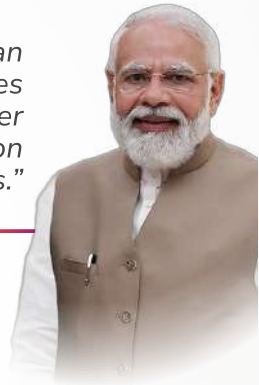

Why Be A GenAI Naari?

The world of work is changing faster than ever.

As automation replaces routine jobs, degrees and technical skills alone no longer guarantee growth.

"Digital technology serves as an equalizer and promotes inclusivity. It is a force multiplier in increasing access to education and adapting to future needs."

PM Narendra Modi
